FloraCjewellery

Flora C jewellery

An amazing necklace and bracelet clasp !

A universal innovation created and patented by Flora C !

Made of precious metals.

Smart Clasp by Flora C features

- For necklace and bracelet
- Stand-alone use
- Intuitive
- Can be used with one hand
- Can be used with losing hands dexterity
- No more help needed
- No need for a mirror
- Can be worn in the center of a necklace

The Smart Clasp by Flora C was originally designed for the elderly persons, people with injured hands, one-hand people and those suffering from loss of dexterity in the fingers, hands or shoulders, to allow all to keep the pleasure of adorning themselves and wearing the jewellery they love !

Smart Clasp by Flora C: universal, beautiful, practical jewellery for all and essential for some !

Models

• Necklace

Thanks to its safety clip, the Smart Clasp by Flora C is suitable for all jewels and does not require a secondary system.

• Bracelet

In general, a bracelet is subjected to rough ordeal, that is why the Smart Clasp by Flora C is provided with a safety chain.

Thanks to its simple yet inventive and aesthetics design ,
it suits all jewellery models.

Care & Tips

- A care instruction sheet is provided with the Smart Clasp by Flora C.
- Each is sold separately, with an open ring at each end for necklace and an additional safety chain for bracelet.
- 100% tap water resistant.
- We share our expertise, provide advice and additional information when needed.
- If needed, the repairs are carried out by one of our authorised jewellery shops.
- We can also be reached to study any specific request.

Warranty

The product is guaranteed in the event of a manufacturing defect and under normal conditions of use and care. Flora C or any authorised jewellery shop undertakes to repair or replace the product.
